MORTGAGE CLUB

**Legal & General Mortgage Club is the first winner of our newly-introduced Best Mortgage Club category**

**S**ince its launch in 1995, L&G's mortgage club has established itself as one of the leading multi-lender operations in the UK mortgage market.

As part of a ground-breaking technology proposition, it has a commendably comprehensive e-communication programme that includes fast delivery of lender product and service information. L&G offers a range of products and services from a selection of lenders, a constant programme of exclusive deals and competitive procurement fees paid on exchange of contracts or completion – the choice is up to the broker.

The L&G club is renowned throughout the industry for its excellent service and it is constantly adding lenders to its offering, with Mortgages plc and The Mortgage Business being two of the most recent additions.

With a technology offering that constantly adapts to a demanding market, and service to match, L&G is a truly deserving winner of this inaugural Best Mortgage Club award.
